The Euratlas Map of

EUROPE
in the Year 1300

This map shows the countries of Europe, North Africa and Middle East, in the year 1300. For consistency reasons, the political boundaries of the featured states have been drawn as they were on January 1st 1300, so far as our knowledge goes. Each entity has a unique colour, but the shade differences are not always perceptible.

About 500 km

100 km = about 1.3 cm
