UTILISATION LICENSE HISATLAS 1-Kratographica

The atlas HISATLAS 1-Kratographica published by Euratlas-Nüssli under the registered trademark Euratlas is protected by copyright and, thus, cannot be copied, neither sold. The present license allows you to use this atlas, at the same time, on one single computer. It authorizes you, to print on paper 10 yearly copies of each map for your personal use with the provision of quoting the source of it, that is:

<© 2006-2011 Joaquín de Salas Vara de Rey, Estepona>

The person who wants to duplicate more maps must get specific written permission from
Joaquín de Salas Vara de Rey (Avda. del Carmen, 45 A34, Estepona, 29680 Malaga, Spain)
and pay royalties fitting the planned use.

It is forbidden to use this atlas throughout a network unless otherwise agreed by the author. The content of HISATLAS 1-Kratographica is not transmittable. Under no circumstances, this atlas can be used for commercial purposes. Euratlas-Nüssli guarantees the good condition of the data carrier for 60 days from acquisition date on. Each defective CD-ROM will be replaced upon request in return of a purchase proof. Euratlas and Joaquín de Salas Vara de Rey are not liable for direct or indirect damages resulting from this software use. Under no case, the liability of Euratlas or Joaquín de Salas Vara de Rey could exceed the price of this software.
